	The Canaanites are too strong for us!	
	The Canaanites live in walled cities.	
	We will be able to conquer the giants with God's power.	
	The Canaanites look like giants and we look like little grasshoppers.	
	It is a very good land. It does flow with milk and honey.	
	Look at these grapes aren't they huge!	
	We brought back pomegranates and figs.	
	With God we can do anything! He does miracles!	
	Let's go at once and take the land. We can certainly conquer it.	
	We can't go up against them. They are stronger than we are!	
	The land we traveled through and explored will devour anyone who goes to live there.
