Directions for the Woman at the Well matching game on the next page.

1. Color the items.
2. Write the words on the four that are dotted.
3. Turn the paper over and scribble on the back so that you will not be able to see the answers through the paper.
4. Cut them out.
5. Lay them face down on the table and match the water with its use.
6. Turn over two and if they match, you keep them in your pile. If they don't match, turn them back over and the other person can try to find a match. The person with the most matches wins.
7. Answers: the faucet is for washing your hand; the water bottle is for your mouth; the shower is for washing your hair; the rain is for the flower; and Jesus is water for your heart.
