Sometimes when people are completely different from who they were, it makes sense to change the name. Saul was the one who went and found Christians and put them in prison. Now Paul is the same man, but he tells people about Jesus and helps them become believers.

### POWER!!!!

On the island of Cyprus, the missionaries met a sorcerer named Elymas. This man was an attendant to the ruler, Sergius Paulus. When Paul and Barnabas tried to tell Sergius Paulus about Jesus. Bar-Jesus opposed them. Saul looked at him and said, "You are a child of the devil and an enemy of everything that is right! You are full of trickery and deceit. Will you never stop messing with God's ways? Now God's hand is upon you and you are going to be blind!" And Elymas could not even see the sun!
