Preschoolers: This is a mobile. You will make the first paper a cylinder so that the sun is followed by the moon and back to the sun again by taping the shorter ends together. Hang that cylinder by yarn to a nail in your room or a hanger. Then attach the small pictures of the things you do in your day by pieces of yarn to the bottom of the cylinder. Talk about how strange it would be if it stayed light out for about a whole day, like it did for Joshua.

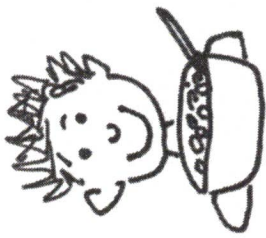

When the sun gets up...

When the sun is bright outside...

When the sun goes down...

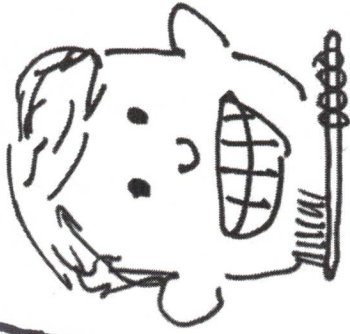

When the moon comes up...

When the moon is out...

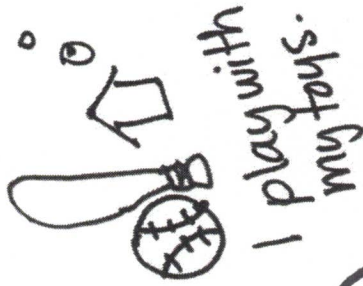

I wake up too  
and eat break-fast.

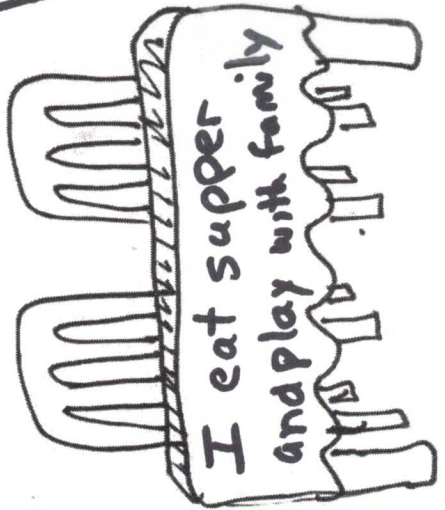

I am asleep  
in my bed.

I brush  
my teeth  
and get  
ready for bed.

I play with  
my toys.

I eat supper  
and play with family

If Joshua and the leaders had asked God what to do about the Gibeonites, it would have been a whole different story. They did not pray! God could not lead them. Then in the battle, Joshua did pray and the \_\_\_\_\_ stood still and the \_\_\_\_\_ stopped for about a day!
