5th-6th Graders: When the 12 spies returned from spying the land, 2 of them Joshua and Caleb brought good reports. The other 10 spread fear among the people. There were several punishments. Those 10 died. God warned them that all the adults who had seen the miracles in Egypt and the Red Sea crossing would die before they entered the Land of Milk and Honey. He said that except for Caleb and Joshua, anyone over 20 would die as they wandered forty years for the forty days they had spied the land. How old are you? _____ Make a list of ten people whom you know who are in each category below:
