

Preschoolers and Kindergarteners:

A game to play at your house!

Old Isaac could not see.... And when Jacob pretended to be Esau, Isaac had to use his nose, his hands, and his mouth to figure out who it was. His sense of touch failed him! In this game, you will wear a blindfold and your parents will let you touch something... a piece of fruit or a toy or a book or a fork... something like that and you have to touch it and guess what it is! Then you can blindfold your parents and they can guess what you put in their hands!
